

**ASTP SERIES**  
**GENERAL SUBJECT FILES**

This subseries consists of various documents that have been arranged alphabetically according to subject. The inclusive dates are 1964 through 1977. The bulk of the material, however, falls between 1972 and 1975. Some subject areas contain a number of documents and some only one or two. If the amount of material on any one subject exceeds the capacity of one folder, it is reflected in the inventory.
