We Need YOU!

Greetings from the smiling faces that manage the Edward H. White Memorial II Youth Center. Our mission to serve this community is flourishing with our Child Care Program and Family Resale Shop. Our Board of Directors currently has three openings and we are seeking qualified individuals to join us in this important outreach service to the community.

We are currently revamping our programs and are planning our new buildings that will house our current programs and allow us to expand. Your help as a volunteer, a shopper, a Board Member, a financial contributor, or as a prayer partner is essential to our future continuation of Ed White's dream.

Please consider bringing your talents to the table for this worthwhile mission. Contact Kandy Lawson at 713-408-0277 or [BACUKANDY @AOL.com](mailto:BACUKANDY@AOL.com)
