

**SHUTTLE SERIES
GODDARD DOCUMENTS****Inventory****SubHeading:****Box Number: 1**

Proceedings of the Space Shuttle Sortie Workshop, Volume I, Policy & System Characteristics	July 31 - August 4, 1972
Proceedings of the Space Shuttle Sortie Workshop, Volume II, Working Group Reports	July 31-Aug 4, 1972
Final Report of the Space Shuttle Payload Planning Working Groups - Executive Summaries	May 1973
Final Report of the Space Shuttle Payload Planning Working Group, Volume 1, Astronomy	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 2, Atmospheric & Space Physics	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 3, High Energy Astrophysics	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 4, Life Sciences	May 1973
Final Report off the Space Shuttle Payload Planning Working Groups, Volume 5, Solar Physics	May 1973

SubHeading:**Box Number: 2**

Final Report of the Space Shuttle Payload Planning Working Groups, Volume 6, Communications & Navigation	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 7, Earth Observations	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 8, Earth and Ocean Physics	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 9, Materials Processing and Space Manufacturing	May 1973
Final Report of the Space Shuttle Payload Planning Working Groups, Volume 10, Space Technology	May 1973
Get Away Special (GAS) Small Self - Contained Payloads, Experimenter Handbook	April 1979
Multi Mission Modular Spacecraft (MMS) Solar Maximum Mission (SMM) Experiment Module Drawings (oversize)	March 1982
