

SKYLAB SERIES**SKYLAB EXPERIENCE / PERFORMANCE DOCUMENTS**

This subseries consists of three types of documents: Lessons Learned, Performance Evaluations, and Skylab Experience Bulletins. They are filed alphabetically by subject. All except the Experience Bulletins are filed chronologically within each subject. Experience Bulletins are filed by number (in roughly chronological order), and the run is incomplete.

Inventory

SubHeading:	Box Number: 845	
	Skylab Record (3 volumes)	1970 - 73
	Final Report: Analysis of Crew Performance in the Apollo Command Module	January 1967
	Lessons Learned on the Skylab Program	February - July 1974
SubHeading:	Box Number: 845a	
	(this box is not inventoried)	
SubHeading:	Box Number: 846	
	MCC Performance Evaluation Reports (3 volumes)	July 1973 - March 1974
	MSFC Performance Evaluations (3 volumes)	1974
SubHeading:	Box Number: 847	
	MSFC Performance Evaluations (2 volumes)	1974
	Skylab Crew Integration Experience Report	January 1974
	Skylab Data Management Office Experience Report	March 1974
Skylab Experience Bulletins June - October 1974	No. 1: Translation Modes and Bump Protection	
Skylab Experience Bulletins June - October 1974	No. 2: Architectural Evaluation for Airlock	
Skylab Experience Bulletins June - October 1974	No. 3: Architectural Evaluation for Sleeping Quarters	
Skylab Experience Bulletins June - October 1974	No. 4: Design Characteristics of the Sleep Restraint	
Skylab Experience Bulletins June - October 1974	No. 5: Inflight Maintenance as a Viable Program Element	
Skylab Experience Bulletins June - October 1974	No. 6: Space Garments for IVA Wear	
Skylab Experience Bulletins June - October 1974	No. 7: An Overview of IVA Personal Restraint Systems	
Skylab Experience Bulletins June - October 1974	No. 8: Cleansing Provisions within the Waste Management Compartment	
SubHeading:	Box Number: 848	
Skylab Experience Bulletins December 1974 - May 1975	No. 9: Foot Restraint Systems	
Skylab Experience Bulletins December 1974 - May 1975	No. 10: Body Restraint Systems	
Skylab Experience Bulletins December 1974 - May 1975	No. 11: Personal Mobility Aids	
Skylab Experience Bulletins December 1974 - May 1975	No. 12: Temporary Equipment Restraints	
Skylab Experience Bulletins December 1974 - May 1975	No. 13: Tools, Test Equipment and Consumables Required to Support Inflight Maintenance	
Skylab Experience Bulletins December 1974 - May 1975	No. 14: Personal Hygiene Equipment	

Skylab Experience Bulletins December No. 15: Cable Management in Zero-G
1974 - May 1975

Skylab Experience Bulletins December No. 17: Neutral Body Posture in Zero-
1974 - May 1975 G

Skylab Experience Bulletins December No. 18: Evaluation of Skylab IVA
1974 - May 1975 Architecture

Skylab Experience Bulletins December No. 19: Food System
1974 - May 1975

Skylab Experience Bulletins December No. 26: The Methods and Importance
1974 - May 1975 of Man-Machine Engineering
Evaluations in Zero-G

Skylab Experience Bulletins December No. 27: Personnel and Equipment
1974 - May 1975 Restraint and Mobility Aids (EVA)
