Evelyn Meador Library Celebrates their 17th Birthday

The Friends of the Evelyn Meador Library celebrated the 17th birthday of the library on June 16, 2005 with a donation of alphabet books to the library in honor of Emogene Brummerhop. She looks forward to reading them to kindergarten students at Bay Elementary. In previous years, the Friends honored Jim Hargrove, Alice Royal, Elton Porter, and Annie Epstein for their service to the library. Marianne Kolar and Emogene Brummerhop prepare to serve birthday cake.

The Seabrook Pelican Path Project has a new member. Pictured are Rosanne Frazier, designer and decorator of the pelican, Marianne Kolar, President of the Friends of Evelyn Meador Library, Greg Burns, Head Librarian at Evelyn Meador and "Miss Pearl" in her storybook apron.
