The Fireman's 23rd Psalm

The LORD is my firefighter,
He spares no effort to rescue me.
He runs to me when I am trapped by flames,
He finds me when I have lost all hope.
He carries me in his arms to safety.
He finds a path through smoke and fire,
unselfishly concerned for my salvation only.
When all exits are blocked, and gone,
He remains at my side unto death.
I will fear no evil for You are with me.
Your presence and courage,
they comfort me.
You give me a chance to live again,
to sit at table with family, friends,
and even my enemies.
You provide me a fresh start on life,
my joy knows no limits.
Surely goodness and mercy will
follow me all the days of my life,
And I will dwell in the house of the
LORD
forever.
