## Open House

# Davenport Visiting Nurse Association

Saturday, August 6 — 2 to 10 p.m. Sunday, August 7 — 2 to 6 p.m.

THE NEW COTTAGE - 1202 W. THIRD STREET

A Memorial to

BETTY ADLER WATERMAN

## Twenty-five years of service of the Davenport Visiting Nurse Association fittingly crowned by the generous gift of E. P. Adler.

N January 23, 1902, just twenty-five years ago, a group of women representing various churches and organizations of Davenport was called together by Miss Katharine Blunt and Miss Isabel Kimball to organize visiting nurse work in the city. With monthly pledges from the various groups represented, together with a few individual subscriptions the undertaking was launched. Miss Sara Peck, a graduate of St. Luke's, Davenport, was the first nurse

engaged and served for six months at \$60 a month. Miss Sessinger followed Miss Peck,

and served until March 1903.

The first Executive Committee and Advisory Board of the association were as follows:

EXECUTIVE COMMITTEE

Miss Alice Kimball, pres. Mrs. H. C. Hoefle, director
Mrs. Ned Lee, vice pres. Mrs. W. H. Kimball
Mrs. N. S. Stephens, treas. Mrs. James Lardner
Miss Mabelle Hepburn, sec'y.

ADVISORY BOARD

Miss Katharine Blunt Mrs. Cartwright Mrs. M. A. Blair Mrs. A. F. Cutter Miss Clara L. Craine Mrs. C. A. Ficke Mrs. Raphael Mrs. W. A. Fair Miss Isabel Kimball Miss Emma Hetzel

Miss Rena Davis Mrs. C. A. McCune Dr. Jennie McCowen Mrs. C. E. Robeson Miss Jenny Snider Miss Louise Swazev Mrs. J. P. Van Patten Mrs. A. F. Williams Miss Minnie Perry Mrs. Wales

The Mission Mothers Mutual Benefit of the Peoples Union Mission pledged one dollar per month and their first payment was the first money received by the association. The second was an individual subscription from Miss Elizabeth Putnam.

Mrs. H. C. Hoefle, formerly Miss Johanna Thompson, superintendent of St. Luke's Hospital, was the director of the nurse's work the first year, receiving calls for the nurse at her home and keeping the supplies there.

At the end of the first year the treasurer's report showed that \$862.50 had been received and that there was a balance of \$65.56 with which to begin the second year.

In March 1903 Miss Clara L. Craine was engaged as nurse, and it is our greatest cause for thankfulness that she has been with the Davenport Visiting Nurse association ever since, in fact we sometimes feel that she IS the Davenport Visiting Nurse Association, so great has been her devotion to the work, and so outstanding her genius for the management and development of it.

MISS SARA PECK

When Mrs. Hoefle could no longer act as director, Miss Matilda Hinrichsen was chosen to fill this office, and gave faithful service for a number of years.

In the early days of the work before we had dreamed of having even office space of our own, when we were looking for a central location for our supply closet, the Ladies Industrial Relief Society kindly gave us space in their building. Finally an office room in the old First National Bank Building was secured, and later a room in the Mc-Manus Building where we actually committed the extravagance of having an office assistant at five dollars a week, as recorded in the secretary's report at the time.

The Baby Welfare Clinic was started June 6, 1913 and as this work could not be carried on at the office for lack of room, the invitation to meet at Friendly House was gratefully accepted, the rooms available being admirably adapted to our use. The Welfare Station has been held at Friendly House ever since except for the year or more after the fire, and before the new Friendly House was finished. We are not sure that Mr. Downer does not consider it his Welfare work.

In 1914 the Friendly House Board offered us rent free, the cottage adjoining Friendly House for our headquarters, and from then until fire destroyed Friendly House on January 16, 1925 we enjoyed not only the use of the cottage so generously given to us but the neighborly association with Friendly House.

After the fire we gave up the cottage and moved to 1410 West 4th Street, at the same time accepting the hospitality of the Lend-A-Hand Club for the Baby Welfare Clinics each week, until the completion of the new Friendly House.

So through the first twenty-five years of our work we seem always to have been the "poor relation" among the organized charities of Davenport, accepting room space in turn from the Ladies Industrial Relief Society, Friendly House and the Lend-A-Hand Club.

Their friendship as expressed in this material way, has meant and always will mean a great deal to us, but it is with deep gratitude to Mr. Adler that we at last have a building of our own, planned and built for us, and entirely adequate for our many and varied activities.

Betty Adler's interest in the work of the Visiting Nurses was manifested in many ways.

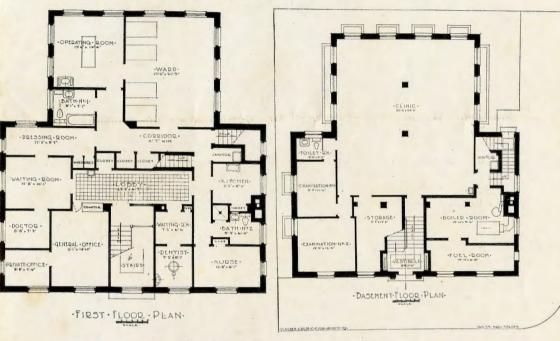

During the first year she spent one day going with the vis ting nurse, Miss Sessinger, on her round of visits, and her deep interest in the work dated from that day.

It would be hard to overestimate what she accomplished for the Visiting Nurse Association and the number of friends she made for it, by the newspaper articles she wrote so frequently about the work.

The free ice fund started by the Daily Times in 1912 and the milk station started in 1913 were fostered by her, also a fund collected for the first Ford car presented to the association.

She was a valuable member of the Advisory Board for a number of years, previous to her death, even attending meetings after her marriage to Mr. Henry Waterman of Geneseo, Illinois, when it involved a journey of twenty-five miles.

After the untimely death of Mrs. Betty Adler Waterman February 16, 1925, her brother Mr. E. P. Adler signified his desire to give to the association \$20,000 for a building in her memory. For years the association had looked forward to a building of its own, and had saved all gifts and bequests made to it for this purpose, so with this gift from Mr. Adler, the dream came true. The association bought the lot for the building, and added what was necessary to complete the building, out of its fund of gifts and bequests, so that this building as completed is free from debt.

The present Executive Committee and Advisory Board are:

#### BOARD MEMBERS OF THE DAVENPORT VISITING NURSE ASSOCIATION

N. EDUDE-4. KLUIN- ARCHITECTS

Mrs. G. B. Drummond Mrs. R. J. Clausen Mrs. P. H. Schroeder Mrs. I. L. Sears Mrs. Joseph L. Hecht Mrs. Joseph Deutsch Mrs. C. C. Smith Mrs. Wm. H. Kimball Mrs. Bert Dow Mrs. J. J. Flannigan Mrs. G. Decker French Mrs. Clarence Stage Mrs. Chas. E. Robeson Mrs. Frank Throop Mrs. Louis Silberstein Mrs. C. J. Von Maur Mrs. E. W. Akin Mrs. R. H. Harned Miss Theresa Hirschl Mrs. Ludwig Berg Mrs. Eugene Walsh Mrs. Harry Bloch Mrs. John J. Brandt Mrs. L. J. Yaggy Mrs. V. Van Zele Mrs. Fred Lamb Mrs. J. Reed Lane Mrs. Carl Vollmer Mrs. Hilda Matthey Mrs. Edmund Cook Mrs. C. N. Chubb Mrs. F. G. Clausen Mrs. Thos. Murray Mrs. Burton Forrester Mrs. Burdick N. Richardson Auxiliary president

They are much gratified at the opportunity offered by the new building for better and greater service, but feel the added responsibility involved and the probable increase in running expense.

The policy of the association has always been to ask for funds just once a year, and the money collected during these annual campaigns has been barely sufficient to pay the running expenses in the past.

The inconvenience of cramped quarters has been borne uncomplainingly by the nurses for years, and since with our more adequate facilities more money is needed we hope the public will show its appreciation of the nurses and their faithful work, by giving more liberally than ever before, when the Red Letter Campaign comes in the fall.

The growth of the work since the first year is well known to every one interested in the association but a short comparison of the nurse's report for the first year and the report for 1926 will emphasize this growth. The report for the year ending February, 1903 showed the total number of patients attended, to be 108, with a total of 1628 calls made. These figures with the names of the physicians who had called for the nurse, and a list of donors to the supply closet, comprised the whole report.

Our object is still to give skilled nursing care in the homes. The nurses report for 1926 shows that a total of 2257 people were cared for, 521 new families were visited, and 5277 visits made for giving bedside nursing care.

In addition to this primary work of visiting nursing, our activities now are many. 1696 visits were made in 1926 to instruct mothers in the care of well children under the age of two years. Constructive family health work is one of the primary responsibilities of the Public Health Nurse. (Note the significant change in name.)

The Child Welfare work carried on since 1913 at Friendly House is now duplicated in Rockingham, where the clinics are held in the new school building through the interest and cooperation of Mr. Smart, city superintendent of schools and the other clinics now included in our work are: Prenatal, Skin, Tuberculosis, Tonsil and Adenoid beside Dental which is going to be developed further in our new building.

The Junior Auxiliary is a recent organization which is a very great help to the Advisory Board of the Visiting Nurse Association and to the nurses at the Child Welfare Clinics and in many other ways. Its members are as follows:

Mrs. Burton Forrester,	Miss Eloise Johnson	Mrs. Harry Lamb
chairman	Miss Ann Jennings	Mrs. Raymond Waln
Mrs. Wm. Bettendorf	Mrs. Allan Lusk	Miss Francis Salter
Mrs. Edmund Cook	Mrs. Don Luscombe	Mrs. Warren Zeuch
Mrs. Kalman Cook	Mrs. Arthur Muhs	Miss Persis Williams
Mrs. Alfred Fleishman	Mrs. Chester Salter	Mrs. Louis Sears
Mrs. George Gibbs	Mrs. Chas. Shuler	Mrs. Robt. Wooden
Mrs. John Hanssen	Mrs. Robt. Waln	Mrs. Richard Von Maur
Mrs. Frank Howes	Miss Katherine Weber	Mrs. Frederic Zeuch
Mrs. Lynn Hincheliffe	Mrs. John Wormley	

The increasing scope of our work is indicated by the list of cooperative agencies including as it does the State Department of Health, Iowa Tuberculosis Association, State University of Iowa City, City Board of Health, Police Department, and Scott County Tuberculosis Association, besides Physicians, Hospitals and all social service agencies of the community. With their continued help we hope to be of ever increasing service in making Davenport notable for the good health and happy usefulness of its citizens from the least to the greatest.

MISS AGNES CONWAY, R. N.
In charge of the Tuberculosis Clinic held each
Wednesday.

Miss Conway devotes all her time to Tuberculosis work.

MISS HARRIETTE BARNES Office Secretary

MISS MABLE WALKER, R. N.
Has charge of the Child
Welfare Clinic held each
Friday at 1 p. m. at the
Nurses Cottage.

This is a clinic to keep well babies well.

MISS SALLIE MILLER, R. N.
In charge of Tonsil and
Adenoid Clinic, which serves
children up to 12 years of
age.

A careful social investigation of each case is made and only those children whose parents are unable to provide this service-are taken care of in this Clinic.

Clinics are held each Saturday morning at eight o'clock at the Nurses Cottage —1202 W. 3rd Street.

MISS CLARA L. CRAINE, R. N. Superintendent

MISS DAISY McDUGLE, R. N.
In charge of Prenatal
Clinic. Held each Tuesday
at 1 p. m. at the Nurses
Cottage. Here attention is
given the expectant mother
through her pregnancy, and
instruction in preparation
for her new baby.

#### DENTAL CLINIC

Held each Friday at 1 p. m. at the Nurses Cottage, for children of pre school age only.

MRS. BLANCHE HARDEN, R. N.
In charge of the Child Welfare Clinic held in the
Public School at Rockingham—each Thursday at 1 p. m.

CLINIC DOCTORS 1927

Skin Clinic—Dr. Robt. E. Jameson
Prenatal Clinic—Dr. Howard A. Weis
Tuberculosis Clinic—Dr. R. R. Kulp
Dental Clinic—Dr. J. E. Rock
Dental Clinic—Dr. J. E. Rock
Tossil and Adenoid Clinic—Dr. J. E. Rock
Dental Clinic—Dr. J. M. Wormley

MEDICAL ADVISORY BOARD Dr. Wm. L. Allen, chairman

Dr. W. H. Rendleman Dr. J. E. Rock

Dr. Roscoe P. Carney Dr. M. D. Ott
