Dear Dr. Schanding,

I am a master's student at the University of Houston-Clear Lake completing a thesis in Clinical Psychology. I am writing to ask written permission to use the Social Emotional Learning Skills Inventory Parents 6-11 in my research study. My study is looking at the relationship between helicopter parenting and social emotional learning, in children ages 6 to 11. My research is being supervised by my professor, G. Thomas Schanding Jr., Ph.D.

I plan to use the Social Emotional Learning Skills Inventory Parents 6-11 in its entirety. The Social Emotional Learning Skills Inventory Parents 6-11 will be used to measure the five core areas of social and emotional learning. The Social Emotional Learning Skills Inventory Parents 6-11 will be one of the many measures that parents will be asked to fill out after they fill out a pre-screener and the consent form on Qualtrics. All data will be entered into and analyzed using SPSS.

In addition to using the instrument, I also ask your permission to reproduce it in my thesis appendix. The thesis will be published in the UHCL Institutional Repository at <https://uhcl-ir.tdl.org/uhcl-ir/> and deposited in the ProQuest Dissertations & Theses database.

I would like to use and reproduce the Social Emotional Learning Skills Inventory Parents 6-11 under the following conditions:

- I will use the Social Emotional Learning Skills Inventory Parents 6-11 only for my research study and will not sell or use it for any other purposes
- I will include a statement of attribution and copyright on all copies of the instrument. If you have a specific statement of attribution that you would like for me to include, please provide it in your response.
- At your request, I will send a copy of my completed research study to you upon completion of the study and/or provide a hyperlink to the final manuscript

If you do not control the copyright for these materials, I would appreciate any information you can provide concerning the proper person or organization I should contact.

If these are acceptable terms and conditions, please indicate so by replying to me through e-mail at hirahussain99@gmail.com.

Sincerely,

Hira Hussain
