

SKYLAB SERIES**MANAGEMENT REVIEWS AND PRESENTATIONS (1967-77)**

This subseries contains miscellaneous documents relating to Skylab presentations and system reviews from 1967 to 1977. Related material can be found in Boxes 601, 705-708, 710-717, and 720-722.

Inventory

SubHeading:	Box Number: 743	
	Office of Management and Budget (2 folders)	1971-72
	AAP Program Presentation to Bureau of Budget	Oct. 3, 1968
	AAP Presentation to AAP Cost and Schedule Baseline Task Force	October 22, 1968
	AAP CM / SM Modification Program: Cost / Schedule / Manpower Assessment	October 28, 1968
	AAP Program Development	May 7, 1969
	Apollo Applications Systems Supporting Development	May 10, 1967
	ATM Mission Review	July 1, 1968
	AAP Flight Experiments Principal Investigators Review - Langley Research Center	October 5-6, 1971
SubHeading:	Box Number: 744	
	Skylab Subsystem Review	November 17-19, 1970
	MSFC Corollary Experiments Design Certification Review, Phase 1 Minutes	July 5-7, 1972
	Skylab Reuse Program Strawman Plan	September 14, 1977
SubHeading:	Box Number: 745	
Presentations	Skylab Saturn IB/CSM Launches from LC-39	April 1970
Presentations	Electromagnetic Compatibility Status - Baseline Review Meeting	November 10, 1970
Presentations	Presentation to Dr. Paine: Alternate Approaches Cryogenic O2 Configurations	June 27, 1970
Presentations	MSC / MSFC Director's Meeting	August 20, 1970
Presentations	General Presentation Material	September 1970
Presentations	Space Station Utilization Conference, Ames Research Center	September 9, 1970
Presentations	Visit of Honorable J. J. Green, Minister of Energy, Mines, and Resources, Canada	March 1, 1971
Presentations	"A Forecast for the '70s": Visit of Dr. Wernher von Braun	March 9, 1971
Presentations	KSC Presentation to Mathews Review Team	March 31, 1971
Presentations	Visit of Dr. James C. Fletcher (2 folders)	May 27, 1971
Presentations	Manned Spacecraft Center (McCurdy Presentation) and McCurdy visit	June 1971
Presentations	MSFC Management Briefing	August 16, 1971
SubHeading:	Box Number: 746	
Presentations	Officers' Wives' Club, ENT Air Force Base, U.S. Manned Spaceflight Programs	October 19, 1971
Presentations	Skylab Program Coordination Meeting	October 27, 1971

Presentations	Senior Seminar in Foreign Policy, Department of State, Skylab Program	October 28, 1971
Presentations	Overview of Future Manned Spaceflight Programs	November 3, 1971
Presentations	Ed Armstrong	November 12, 1971
Presentations	General Presentation Material	Revised January 1972
Presentations	Senior European Businessmen	February 17, 1972
Presentations	Skylab: What it Means to the State of Colorado	March 24, 1972
Presentations	Briefing for Center Operations Directorate	June 7, 1972
Presentations	Briefing to William M. Magruder, Special Consultant to the President	June 16, 1972
Presentations	Headquarters, Space and Missile Systems Organization	June 14, 1972
Presentations	Visit of W. M. Magruder, Special Consultant to the President	June 16, 1972
Presentations	Briefing to Dr. Robert Naka, Deputy Undersecretary of the Air Force for Space Systems	June 22, 1972
Presentations	Space Science Educational Program Annual Conference	September 7, 1972
Presentations	Manned Space Flight Program Status Review	November 8, 1972
Presentations	Report to Manned Space Flight Subcommittee on MSC Skylab Program	November 10, 1972
SubHeading:	Box Number: 747	
Presentations	Presentation to Administrator, MSC	November 20, 1972
Presentations	Visit of Dr. James C. Fletcher	November 20, 1972
Presentations	Visit of Dr. James C. Fletcher and Dr. George M. Low	November 20, 1972
Presentations	Earth Resources Investigations and Program Assessment and ERTS-B Proposal Evaluation	n.d.
Presentations	Earth Resources Survey, Operational Systems Study	n.d.
Presentations	Program Description; Areas of Scientific Study	n.d.
Presentations	Mission Evaluation Room, EREP Support	n.d.
Presentations	Typical Fly-Around Maneuver	n.d.
Presentations	Skylab Student Project	December 1, 1972
Presentations	Apollo 17: L-2 Flight Readiness Review	December 5, 1972
Presentations	Skylab SLA Modifications	n.d.
Presentations	LM Cost Material	n.d.
Presentations	Material Waivers	n.d.
Presentations	World Press Institute	January 17, 1973
Presentations	Visit of Aeronautics and Space Engineering Board	February 15-16, 1973
Presentations	Skylab Reuse Study, Presented to Mr. Yardley by MSFC	November 16, 1977
