

**SPACE STATION SERIES**  
**NASA - EUROPEAN SPACE AGENCY DOCUMENTS**

These documents establish requirements for Space Station hardware developed by the European Space Agency under terms of a Memorandum of Understanding signed by the ESA and NASA. Documents are filed chronologically.

<b>SubHeading:</b>	<b>Box Number: 1</b>	
	JESA-30000, Section 6, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 6: Function and Resource Allocation	June 6, 1990
	JESA-30000, Section 3, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 3: Space Station Systems Requirements	September 5, 1990
	JESA-30000, Section 3, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 3: Space Station Systems Requirements	September 5, 1990
	JESA-30000, Section 11, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 11: Software Support Environment Requirements	September 6, 1990
	JESA-30000, Section 3, Part 2, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 3, Part 2: Space Systems Requirements: Flight / Orbital Support Equipment General Design Requirements	September 6, 1990
	JESA-30000, Section 8, NASA / ESA Space Station Joint Program Definition and Requirements Document (JPDRD), Section 8: Technical and Management Information System	September 6, 1990
	JESA-30000, Section 9, NASA / ESA Space Station Joint Program Definition and	October 24, 1990

Requirements Document  
(JPDRD), Section 9: Product  
Assurance Requirements

JESA-30000, Section 3, Part  
1, NASA / ESA Space Station  
Joint Program Definition and  
Requirements Document  
(JPDRD), Section 3, Part 1:  
Space Station Systems  
Requirements: Ground  
Support Equipment General  
Design Requirements

October 24, 1990

JESA-30000, Section 4, Part  
1, NASA / ESA Space Station  
Joint Program Definition and  
Requirements Document  
(JPDRD), Section 4, Part 1:  
Space Station Ground  
Operations Requirements

October 24, 1990

JESA-30000, Section 4, Part  
2, NASA / ESA Space Station  
Joint Program Definition and  
Requirements Document  
(JPDRD), Section 4, Part 2:  
Space Station Integrated  
Logistics Support  
Requirements

October 24, 1990

JESA-30000, Section 4, Part  
3, NASA / ESA Space Station  
Joint Program Definition and  
Requirements Document  
(JPDRD), Section 4, Part 3:  
Space Operations  
Requirements

October 24, 1990

JESA-30000, Section 5, NASA  
/ ESA Space Station Joint  
Program Definition and  
Requirements Documents  
(JPDRD), Section 5: User  
Integration and Operations  
Requirements

October 24, 1990

JESA-30000, Section 3, APM  
Revision A, NASA/ESA Space  
Station Joint Program  
Definition and Requirements  
Document (JPDRD)

May 1992
